Remember, this is a year-long commitment. Your investment in our farm makes it possible for us to plan and fund our year, to provide you with the products that we do.

What **you** do for our farm and family:

- give us reason to work hard and make sure you get the best from our farm
- give us the ability to stay small and do what we love
- create the environment we need to match our farm to your needs
- help us feel more confident in our decision making by way of creating a stable farm business
- the ability to spend time with our girls
- the chance to get to know all of you!

What **we** do for all of you:

- provide healthy, well raised animals for you to feed your family and yourself
- provide a way to ease some of the financial burden by cash flowing your protein needs
- taking away the need to go down the meat aisle in your grocery store
- Giving you security in knowing you have food in your freezer.
- helping you make a difference instead of supporting the conventional food system
- taking away the guesswork about what you are going to eat for supper
- the chance to get to know us and our farm!

Things to know

- Subscriptions start in May and end in April. Of course we still send out delivery reminders to everyone so that you know when we are coming in.
- Just fill out this paper copy and hand back to us, you can include your post dated checks as well.
- You do not have to pick something from every group.
- NEW TO SUBSCRIPTIONS?- We offer a freezer option if you spend more than \$150 a month, ask us how.
- We Drive a big white refrigerated van.
- We have bones and organs with us most of the time and you get these for free because you subscribe with us
